

Last summer (Sept. 2014), as part of the South Korean Prayer Mission, we had our first South-East Mission Week and experienced a great blessing from our Korean Brethren; directly impacting at least 25 leaders, three boroughs, 14 churches and loads more indirectly. The ripples and vestiges of that great prayer mission are still being felt right across our South-East region and amongst many church congregations throughout the nation. We look forward to South-East Mission Week 2015. But...

HEY! THE KOREANS ARE HERE AGAIN!!  
(10-15 TH JANUARY 2015).

Our South-East region is blessed to host another team from South Korea (10-15 Jan. 2015); aptly named "***Father's Love***". O' just how we need the Fathers's Love even at this time! Looks like we shall have multiple doses of Korean prayer impact this year! 2015 promises to be a great year of Surrender, Impossible and Prophetic Manifestations.  
[Surrender+Impossibility] x Impossible = Possible!!

SOUTH-EAST PRAYER MISSION  
(10-15 TH JANUARY 2015).

The South-East Mission Week 2014 witnessed great fun, color, vibrance and fervency in the Korean-style prayer and worship; which stoked our fire and gave us friendship, fellowship, and family! Our thirst for and devotion to prayer changed tempo. We are filled with much expectation of what God might do these 10-15th January; as a foretaste of what is to come later on this year during our South-East Mission Week 2015! See Schedule of activities for 10-15 an below
